**Making Life
More Healthier**

INTRODUCTION

In 2002, we, UPRIVER, incorporated in Yongkang, a world-famous hardware city in China’s Zhejiang Province. Our name, “UPRIVER”, is derived from the Chinese famous book Tao Te ching, and the meaning is The highest good is like water, water benefits everything by giving without taking or contending. So the UPRIVER name reflecting our commitment to providing consumers with a wide range of safe, healthy, and high-quality bottles and kettles. We firmly adhere to the spirit of craftsmanship and our slogan: “Making Life More Comfortable”.

After more than 18 years of R&D, production, and sales, we have become one of the most influential manufacturers of stainless-steel vacuum-insulated drinkware in the world, with products exported to more than 80 countries and regions around the world.

Our factory take place 40,000 square meters of modern factory buildings and facilities, we are capable of producing 50,000 units per day. Our on-site lab tests and AQL process ensure each of those units meets the highest standard of quality. We warmly welcome our customers to visit and inspect our factory.
